

10 Ph. D. EXCELLENCE SCHOLARSHIPS

THE INSTITUT DES SCIENCES DE LA MER DE RIMOUSKI (ISMER) LAUNCHES A PRESTIGIOUS EXCELLENCE SCHOLARSHIP PROGRAM IN OCEANOGRAPHY

The *Institut des sciences de la mer de Rimouski* (ISMER) is one of the leading academic research institutes in marine sciences in Canada. It gathers an important critical mass of researchers and students from various disciplines and backgrounds who are dedicated to the discovery and advancement of knowledge on marine and coastal environments in the context of climate change and sustainable development.

10 scholarships of \$ 66,000
\$ 22,000/year for three years will be awarded to selected students beginning a Ph. D. program in oceanography.

Candidates must apply for a research project on the ISMER's website.

Application for fall of 2023 or winter 2024 trimesters

Deadline : February 24, 2023
